SHOPPER AND O'CONNELL

Police Make One Arrest and special franchise tax per se. \$9,652,722 2 Crowd Is Dispersed-Policeman Leonard Was Attacked, but Not Seriously Hurt.

Robert Cromble is in a critical condieton in the Harlem Hospital to-day as a result of the riot between the Tammany factions led by Isaac A. Hopper and Daniel J. O'Connell in the Thirtyfirst Assembly District. He was beate into insensibility when he went to the Total aid of Policeman Leonard, who alone

tion appeared and quelled the disturb-ance. He was carried to the hospital, They also but after his wounds were dressed he property," due before the passage of the same able to go to his home.

Robert Robillard, of No. 223 East One Hundred and Twenty-third street, was Total Is \$19,000,000.

arrested. Hopper offered bail for him, but it was refused.

In Harlem Police Court to-day Robilliard, who was accused of disorderly conduct, was discharged by Magistrate Zeller. Richard Fayles was accused of having participated in the assault on Crombie and was paroled until Friday

O'Connell Banner Attacked.

The Hopper crowd left a saloon at 11 o'clock, and one man started to climb up a pole to tear down an O'Connell banner. There are many of O'Connell's supporters in the neighborhood and men were trying to stop them when Policeman Leonard arrived. Leonard seized Robillard, who had started up a pole. The

Aiding the Policeman.

Cromble heard the shots and ran from

Some one telephoned to Headquarters and reserves of the East One Hundred and Twenty-sixth street station came up on a run, under acting Capt. Mag-tin. The throng in the street scattered

Rival Leaders Excited.

Excited crowds gathered about the heaquarters of the rival leaders and discussed the riot. Feeling ran very high against the men at the rival head-

Crombie was formerly one of District Attorney Jerome's detectives, but new guns a private detective agency.

GROUT PACIFIES

Lively Detaile on North German Lloyd Liner.

There was a slight conflict, beginning on-operation of the employees in those and ending only in words, however, on board the North German Lloyd liner konig Afbert, which arrived in port to-open opposition. day from Bremen, while she was on the high seas. It happened at the "captain's dinner" on Sunday evening last, and at one time threatened international complications.

Such a regrettable occurrence was prevented by the timely diplomacy of Edward M. Grout, Comptroller of the City of New York, and Col. Jim Ham Lewis, the Western ex-Congressman.

It all came about through the ship's It ail came about through the ship's leased an apartment in the Lorraine, band playing "The Star-Spangled Ban- at the southeast corner of Fifth avenue per" and following it with "Der Wacht and Forty-fifth street. The apartment am Rhein." The giving of precedence is on the Fifth avenue side of the to the American air over the German house, one floor above that leased and anthem gave rise to much comment among the many Germans on board, It consists of four rooms. and it resulted in a committee of two being sent to the captain to protest. It was declared almost less majeste to play the American song before that of the Fatherland on a ship distinctively

Capt. Polack at once appointed an ar-hitration committee consisting of the two complaining Germans and Comptroller permanently cured by the use of complaining Germans and Comptroller Grout and Col. Lewis. The four soon reached an amicable settlement in the smoking room and thereby established a

smoking room and thereby established a precedent for future guidance. It was decided that hereafter on all Garman ships bound homeward from an American port, the German national air should be played tefore the American antham and that the order should be reversed on all ships sailing from Germany to American ports. The decision was halled with much satisfaction by the ship's company.

Transportation Companies Is Discovered by Experts Who Go Over Books.

Expert city accountants have for the ast six weeks been at work trying to find out how much the street railway FACTIONS IN A FIGHT. corporations owe the city of New York

x on tracks, etc., under provisions of Special Franchise Tax law... Amount due by railways in Manhattan for percentages

on gross or apportioned recelpts.... mount due by railways in Manhattan for car license fees.....

In addition to this indebtedness on was battling with the excited poll-ticians. The World has Cromble's skull was fractured, his arm perts now engaged on this task for broken and he was severely injured in-ternally. His chances of living are un-far from 'complete, has already gone far enough to show that the street Leonard, too, was kicked and beaten railway corporations of New York City before the reserves from the East One owe for taxes on real estate at least Hundred and Twenty-sixth street sta-

They also owe for taxes on "persona

Total Is \$19,000,000. This makes a grand total of tax in-

debtedness to the city from the railway corporations of approximately \$19,-000,000 indicated at the present stage of the expert accountants' examination Of the grand total of \$19,000,000 arrears, \$12,183,805.34 is positively established as the amount due on the lines indicated; the balance represents the experts' careful and conservative estimate, based upon data not yet complete enough to fix an exact amount, but still complete enough to indicate a total of at least \$7,000,000 due on real estate and

personalty.

The total tax indebtedness against the individual street railway companies, under various heads, that has been men knocked down Leonard and beat Metropolitan Street Rall and Company, and kicked him until, drawing club and \$6,725,544.26; Manhattan Rallway Comrevolver, he fought his way to his feet, pany, \$3,540,382.05; New York and Queens covered with blood from cuts. He fired County Railway, \$70,933.55; Brooklyn into the air several times in an attempt Rapid Transit system, \$1,703,594.15; Coney to frighten the crowd, but they kept at Island and Brooklyn Rallway, \$138,-966.50; Van Brunt and Erie Basia Rail-

way, \$4,054.83. No payments have been made under his house. He jumped in the fight to aid the Special Franchise Tax act, because his house. He jumped in the ngit to aim the policeman. Two against more than the corporations still hope to secure a five hundred, they were knocked down, decision in their favor in the Supreme kicked and beaten until they lost central Court of the United States, where the matter is now pending. The law has been affirmed by the Court of Appeals of New York State. The total amount affected by the Franchise Tax act is

\$9,662,722.24. The First Examination.

This is the first examination ever indertaken to establish definitely the mount due from these corporations to the city from unpaid taxes from all sources. It was thought that the exmination could be completed within a week from the time it was begun, but so many complications were found in the accounts of the bureaus charged with recording the amounts due from warlous sources, and so distributed was the authority for the collection of these immense sums, that what was thought to be a six days' job turned out to be a task of more than thirty days before even a fair estimate could be made of

ANGRY GERMANS

The amount due.

There is no intelligent record on any of the books in the city departments of the amounts due for taxes from the companies which use and occupy the streets of New York. These records are scattered about in various bureaus, and National Anthems Causes ments that it was found to be almost impossible to ascertain the exact amounts which the corporations have from year to year failed to pay.

In some instances those commissioned o get at the figures kept in the different bureaus, instead of having the co-operation of the employees in those

open opposition.
According to The World's sources of information, the experts have at least a month's work before them before their task will be completed.

OUSTING BUCHANAN CITY \$19,000,000 PARKS'S AMBITION

Great Indebtedness by Street Fight from Now on by Convicted Housesmith Will Be for Election to Head of International

> dency of the international body of housesmiths. The ambition of Parks now is to oust President Buchanan from order a general strike of housesmithe against the members of the Employers' Association, thus involving a million men and tying up all the modern buildngs under construction in the principal

ities of the country.

To-day Parks will have to appear for sentence in the Court of Special Sesdons on the charge of assault of which he stands convicted. He may receive a year in the penitentiary. Whether Parks is in the penitentiary or not, his fight against Buchanan is to go on. The meeting of delegates to the conof Bridge and Structural Iron Workers begins on Monday next in Kansas City.

the support of the men in the union in Chicago, St. Louis, Cincinnati, Newark and other places. Labor men not identi-fied with Parks say that the chances of

his election are good.

From Chicago Farks and his friends have received word that the union there will support Parks against Buchanan will support Parks against Buchanan and that the members believe Buchanan exceeded his authority when he annulled the charter of the local union here. The issue at the convention will be Parks. A telegram from Chicago last night read:
"Real issue is Parks. We understand the situation. No Buchanan for us. We are with you to the finish."
Parks endeavored to hold up the work on the Metropolitan Life Building yesterday, but the men refused to quit and the work is still going on.

MAN HANGS IN DUMBWAITER.

Tenth avenue, where he was ja or. The waiter runs from an empty store on the ground floor to the basement. on the ground floor to the basement. Price had to double himself up in order to accommodate his bulk to the dimensions of the waiter. Even then his head projected.

Before he could get his head within the car his weight caused it to sink. His head got caught between the sill of the evevator shaft and the top of the car and he was strangled to death.

PALMA'S SON ARRIVES.

Among the passengers who arrived to Havana, were T. E. Palma, a son of the begins on Monday next in Kansas City.
